Is your technology business looking for a door to the Laboratory? The Economic Development Office at PNNL is here to help you start, grow, or relocate your business. We help you tap into technology experts, facilities, and other resources available at the Laboratory...some at no cost to you.

We've helped more than 400 companies in our region and 100 more nationwide. Our goals: to expand the economy's technology sector and create high-value jobs.

Events Calendar | EDO in the News

October 5: Technology Showcase

The Innovation Showcase helps bridge the gap between research and commercialization by highlighting the most promising discoveries and new technologies ready for commercialization in Washington.

The quarterly event, held in Seattle, attended by a cross-section of the state's startup leaders, pro...
