

Instructions for Tablets

Step 1. Upload the image(s) to your tablet photo gallery, following the manufacturers' instructions.

Step 2. Follow the appropriate instructions for your device to set an image as your wallpaper.

For iPads (all versions)

1. Tap the **Settings** app.
2. In Settings, tap **Wallpapers & Brightness**.
3. Choose **Wallpaper**
4. Tap the collection of photos that contains the one you want to use.
5. Tap the photo you want to make your wallpaper.
6. Choose whether you want the image for your home screen, lock screen, or both. Tap the option you prefer.

For EVO

1. Tap the **Personalize** icon.
2. Tap **Wallpaper..**
3. Select the folder that contains the wallpaper.
4. Choose the desired wallpaper and tap **Preview**.
5. Tap **Apply**.
