Name of University: _____

Department or College: _____

Professor's Name: _____

Professor's Email: _____

Professor's Phone: _____

Graduate Student Names:

Brief Statement of Research Interest:

Please select the operational modes in which you are interested (please justify your selection in your statement of research interests):

☐ STOMP-W (Water)

☐ STOMP-GT (Geothermal)

☐ STOMP-WO (Nonvolatile Organic)

☐ STOMP-WOA (Volatile Organic)

☐ STOMP-EOR (Enhanced Oil Recovery)

☐ STOMP-CO2 (Carbon Storage)

☐ STOMP-HYDT-KE (Gas Hydrates)

Does your research require capabilities not currently available in STOMP?

☐ Yes

☐ No

If Yes, please identify needed capabilities:

Do you intend to modify the source code?

☐ Yes

☐ No

If Yes, please identify proposed modifications:

Do you have access to a FORTRAN 90 Compiler?

☐ Yes

☐ No

Can you install the Lis iterative solver package (https://www.ssisc.org/lis/index.en.html)?

☐ Yes

☐ No

Additional Questions or Comments
