@PNNL

2023 GLOBAL SUMMIT ON ENVIRONMENTAL REMEDiation

Facilitating knowledge sharing, technology transfer, and practical learning to address the most difficult challenges facing remediation sites worldwide.

The 2023 Global Summit on Environmental Remediation will bring together participants from government, industry, and research institutions to discuss remediation challenges and to collaborate on the application of both proven and innovative solutions. Our program includes case studies, technical sessions, training workshops, tours, and more.

This year's conference will be held at Pacific Northwest National Laboratory (PNNL) with a virtual option. PNNL is a Department of Energy (DOE) national laboratory located in Richland, WA.

We invite you to partner with us and be a sponsor for this global event.

The following page outlines our sponsorship levels and opportunities, and we hope you will join us! Only 20 spaces are available in our exhibit area, although we can extend other benefits to an unlimited number of sponsors. To secure your spot as a 2023 Global Summit sponsor, contact blake.wright@pnnl.gov and return your sponsorship application by April 14, 2023.

NOVEMBER 13-17, 2023

Sponsorship Levels

PLATINUM (\$4,000)

- Our **PLATINUM** sponsor will have the prestigious honor of being the sole sponsor of the welcome reception. The sponsor will have the opportunity to say a few words during the welcome reception and will be featured on signage during the reception. The **PLATINUM** sponsorship level will also receive all the benefits of the Gold level. Additional **PLATINUM** sponsorship opportunities can be identified upon request.

GOLD (\$2,000)

- Acknowledgement of **GOLD** sponsors in the conference materials
- Logo on the sponsor display slide in the meeting room (and/or virtually) during lunch and coffee breaks
- Exhibit space, including one skirted table, two chairs, and power in premier location
- Publication of the company logo on the conference website with direct link to the company's own website
- Two free registrations providing access to exhibition and conference sessions

SILVER (\$1,000)

- Acknowledgement of **SILVER** sponsors in the conference materials
- Logo on the sponsor display slide in the meeting room (and/or virtually) during lunch and coffee breaks
- Exhibit space, including one skirted table, two chairs, and power to booth
- Publication of the company logo on the conference website with direct link to the company's own website
- One free registration providing access to exhibition and conference sessions

BRONZE (\$500)

- Acknowledgement of **BRONZE** sponsors in the conference materials
- Logo on the sponsor display slide in the meeting room (and/or virtually) during lunch and coffee breaks

Sponsorship Requirements and Expectations

EXHIBITION GUIDELINES

The exhibit area is located in the main meeting venue with high visibility and foot traffic. Exhibit spaces will include a skirted table, two chairs, and power. Exhibits will be set up on Monday, November 13, and dismantled on Friday, November 17.

Detailed exhibition guidelines, timing of setup and dismantling, shipping information, and other details will be distributed by early October 2023 to those companies that have confirmed sponsorship and/or participation as exhibitors. The exhibition floor plan and a survey of exhibitors will be sent together with the exhibition details.

INVOICING

All companies will receive an official invoice from PNNL. All sponsorships must be paid in full by **May 15, 2023**.

CANCELLATION PROCEDURE

Sponsorships can be cancelled within 30 days after reservation and may not be cancelled after **May 15, 2023**.
