# UK Nuclear Decommissioning Authority

NDA – a legal entity established in 2005 to secure the decommissioning and clean-up of our sites and, amongst other things:

- Establishing national strategy, plans and reports on mission delivery
- Promoting / ensuring training of a skilled workforce
- Promoting effective competition
- Securing value for money

Our Strategy is delivered through our Operating Companies who are each responsible for compliance with their relevant regulatory permissions.

We work as 'NDA Group', aligned on key principles which enable us to collaborate together to the benefit of our overall mission delivery

# Decontamination, Demolition and Land Remediation... transformation for beneficial re-use
